

2020 RIGHT HAND MAN® CENTRAL COAST SYRAH

Right Hand Man is that old reliable pickup in your grandparents' garage that fires up lickety-split when you turn the key and rev the engine. I know that any time I'm in need, it's my Right Hand Man that will know the road home and deliver me safely there. I cut my teeth on Central Coast Syrah, it's my refuge.

May it be yours as well.
